Dear Friend and Customer,

Please pardon the extra e-mail this week. I am sending an e-mail with this information to our customers in 13 different states because I feel the need is great. These 13 states have U. S. Senators who we have identified as being "on the fence" where the current gun legislation is concerned.

Goldie and I have already contacted our Senator, who is one of those identified as a "fence sitter" and I will ask everyone I know to tell him that the folks from his district-- the ones that elected him--are against this left-wing anti-gun legislation and that he should vote against ALL anti-gun legislation.

Please contact your Senator, or Senators, listed below with the same information.

**If we want to keep our gun rights we have to act NOW.**

As you know, the US Senate has a bunch of anti-gun bills ready to vote, and Harry Reid and the left-wing politicians and media are pushing hard to pass them.

Michael Bloomberg, New York City's anti-gun mayor, is spending \$12 million dollars in anti-gun rights ads in the states where the Senator is "fence-sitting" on gun rights.

That's right--twelve million dollars is being spent by the left-wing anti-gunners to pressure Senator Joe Donnelly and Senator Dan Coats --your Senators--to get them to vote anti-gun!

**To keep your gun rights, you have to call Senator Joe Donnelly and Senator Dan Coats NOW.**

**Senator Joe Donnelly's Washington phone number is: (202) 224-4814.**

**His local district number is: Indianapolis: (317) 226-5555.**

**Senator Joe Donnelly's mailing address is:**

B33 Russell Senate Office Building

Washington, DC 20510

Phone: (202) 224-4814

Web Address: <http://www.donnelly.senate.gov/contact.cfm>

**Senator Dan Coats' Washington phone number is: (202) 224-5623.**

**His local district numbers are: Indianapolis: (317) 554-0750**

**Fort Wayne: (260) 426-3151**

**Senator Dan Coates' mailing address is:**

493 Russell Office Building

Washington, DC 20510

Phone: (202) 224-5623

Web Address: <http://www.coats.senate.gov/contact/>

So, if you want to keep your gun rights, call Senator Joe Donnelly and Senator Dan Coats NOW.

**And here's what the first anti-gun bill has in it now--the bill number is S. 649:**

**Shumer's Universal Registry Bill:** This would ban private sales of firearms, unless purchasers first get the permission from the government.

The leftist media calls this "closing the gun show loophole", but what it is is a law that makes it a felony for you to transfer any gun to anybody without going through a dealer--and the person who gets the gun will have to have a federal background check.

That's right. If you give a gun to your son, grandson, daughter or anybody, it will have to go through the government registration procedure. Even if they live in the same state that you do--and even if they occupy the same house that you do!

"Large-capacity magazine ban". All the magazines you have for your rifles, shotguns and pistols had better have a capacity of ten rounds or less.

And if you have some that are larger capacity--say, original magazines for an M1 carbine from World War II, or some original factory magazines for your Browning 9mm pistol, these cannot be sold or transferred. Ever.

If you try to sell them or give them away, you're facing a felony conviction.

And the bill has the "Veterans Gun Ban", which would mean that you would sell, gift, or raffle a gun in at the risk of a 15-year prison sentence because of something you didn't know about the veteran/buyer.

The left media says "Diane Feinstein's Assault Weapons Bill has been dropped".

**Don't believe it.**

The Assault Weapons Ban (which didn't work, the first time it was passed, under Bill Clinton) can be easily added as an amendment, when S. 649 gets to the floor in a week or two.

Does all of this sound like a bad dream?

**All this will be the law if we don't act now.**

Here are Senator Joe Donnelly's phone numbers: Washington: (202) 224-4814

Indianapolis: (317) 226-5555

Call now. Get your friends to call.

And call and get your friends to call Senator Dan Coats too.

Here are Dan Coats' phone numbers: Washington: **(202) 224-5623**

Indianapolis: **(317) 554-0750**

Fort Wayne: **(260) 426-3151**

**Tell both Senators to oppose ALL of the "gun control" bills.**

Then ask if they will oppose all the Senate anti-gun bills.

If the person you talk to **won't** say something like "Senator Donnelly will oppose all this anti-gun legislation", then don't let up.

(1) Tell them that Senator Donnelly is supposed to be representing you--and you oppose all the anti-gun legislation in the Senate. And if you feel like it, you might explain to them that you voted for Senator Donnelly last time, but you are going to work against re-electing Senator Joe Donnelly forever, if Senator Donnelly doesn't vote against all the anti-gun bills.

(2) Do exactly the same with Senator Dan Coats. Politicians love re-election, and they want to stay in office. You're the person that can vote for or against them. They know that.

Ask if Senator Dan Coats will oppose all the anti-gun bills. If he won't say so, take that as a "no".

And remember: When a politician gets turned out of office, his staffers have to look for

new jobs. So if you're talking to a staffer, you might tell him that you're VERY interested in how your Senator is going to represent YOU.

(3) Get your wife, son, daughter and friends to call both Senators' offices-- and I'm going to call ALL of my senators' offices.

(4) If you call the Washington office and call the district offices, too, they count each phone call. BE COUNTED.

(5) If you will follow with a letter to each Senator (simple, hand-written, just saying "I oppose all the anti-gun bills in the Senate--will you?") they count a letter VERY strongly.

Or something in your own words is even better. It doesn't have to be fancy-- but they have to hear from you.

They will count your phone call and your letter, both.

Call now. Time is VERY short.

all the best,

A. G. Russell

PPS Call now. Time is very short. The Senate could pass these bills this coming week.

And we have to do it now. The bills are in the Senate NOW.

**And the Senators will likely vote on them in the first or second week of April.**

(I know, they have been talking about voting on the third or fourth week of April, but our sources tell us they want to sneak the bills through, before we would start to fight.)
